On August 1, 2018, the Public Service Commission during its Regularly Scheduled Commission Business Meeting, approved the following Motion: “Mr. Chairman, we have received a number of filings on the issue of whether Transco [Transcontinental Gas Pipe Line Company, LLC] should be allowed to intervene in this docket. However, Commissioner Williams and I were not sitting Commissioners when the issue first arose. As such, I believe that it is beneficial to hear from the parties before this issue is resolved. Therefore, I move that we grant rehearing of this matter and direct staff to set dates for oral arguments.”
